About Ameya Group

Ameya Group was established in 1995 under the guidance of Mr. Vijay S. Mallya, the Group Chairman. Scrambling against rank & file, the company has matured to eminence under his leadership, who with his commands garbed in politeness, rallied a team of unwavering professionals who sprang into action to establish the "Ameya Group".

The company has since then yielded positive results with a diversified portfolio fostering the goodwill of the company. Professional ethics and rich Indian values of heart have merged into a single line of vision.
